

# Power Supply

PSU24-3  
PSU24-3A

### Power Supply Unit

- 24 volt DC 3 Ampere intelligent PSU
- Digital display showing output voltage and load current
- Fully monitored with output protection
- Addressable intelligence for monitoring and reporting to main fire alarm panel (PSU24-3A)

PSU24-15  
PSU24-30  
PSU24-45  
PSU24-60

### Power Supply Unit

- 24 volt DC PSU's for heavy load applications
- Battery capacity monitored and displayed
- Boost charge function available
- Fully monitored
- Input and Output protection.
- DC power ratings: 15A, 30A, 45A and 60A models
